Preface

The Wartburg College Archives is responsible for the collection and preservation of records that document the college’s history, development, operation, policies, people, activities, and events.

The Archives is committed to providing access to holdings. However, access to some items may be restricted by their fragile condition or by contractual agreement with the donors, and it may not be possible at all times to provide appropriate machinery for reading, viewing or accessing non-print materials. In such circumstances arrangements may have to be made for digital duplication or transfer to occur before access can be provided.

History

History: The women’s lacrosse program was created in 2013, and the college does not have a men’s program. Highlights from the lacrosse program include three All-Midwest Women’s Lacrosse Conference selections in inaugural season (2015) and Wartburg has had an All-Conference selection in all three seasons in program history. Wartburg College has had both a men’s and women’s rugby program in the past, starting around 1975. In 2013, a rugby club was created as a student organization, but it did not last more than a year or two. Currently, all rugby programs have been disbanded.
